Dear Sir:

In response to the Notice to File Corrected Application Papers mailed on November 5, 2003, Applicants provide replacement drawings. Applicants believe that the replacement photographs should be legible after scanning.

Applicants respectfully submit that the photographs of the invention subject matter are not capable of illustration. These photographs are scanning electron photomicrographs. The detail included in the photomicrographs would be difficult or impossible to show in an illustration. Further, identical photomicrographs were included in the parent application that issued as U.S. Patent No. 6,630,531.

It is believed that no fee is due; however, in the event a fee is required, please charge the fee to Deposit Account No. 13-3723.
